

# 342 UNIT DEVELOPMENT at AVAYA

On May 4<sup>th</sup>, the Middletown Planning Board began hearing the application for the Four Ponds Development that is proposed for the current Avaya office building site on Middletown-Lincroft Road. The plan proposes to build:

342 total units (270 town homes and 72 apartments) and 900 parking spaces. This represents an approximate 16% increase in the number of Lincroft households.
