It's all you can eat pasta and meatballs! The Lincroft Inn is hosting the benefit spaghetti dinner in its Jefferson Room, which seats up to 80 people. Meals include non-alcoholic beverages; however, guests may run a tab at the bar.

100% of the proceeds will go directly to the Lincroft Fire Company and the Lincroft First Aid. Both organizations are composed of local residents who volunteer to help the community. There have been many times when these volunteers have literally put their lives on the line to help those in need during a fire or health crisis.

Members of the Lincroft Fire Company and the Lincroft First Aid are extending themselves further to coordinate this event. The members have volunteered to minimize the costs of the evening by working as the waiters, servers and dishwashers. Guests are not expected to leave tips.

Over the last three years, there have been two successful Pasta Nights per year. Neighbors come in groups and sit together to enjoy the food and company. Whole families come to have quality time together while they have a delicious dinner. There are two seating sessions due to the overwhelming attendance to this event in the past. The first is scheduled 4pm to 6pm; the second session is 7pm to 9pm. The quick service allows guests to arrive anytime during either session and to be seated on a first come, first serve basis.

Come down, enjoy a delicious meal and help support the people who help us when we need it most.
