41 Hickory Lane
Lincroft, New Jersey 07738

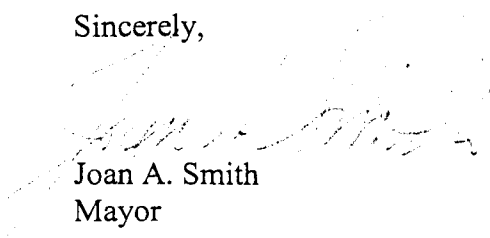

Re: Lincroft Village Green Park

Dear Mr. Littenberg:

This letter will confirm that the Lincroft Village Green Association has been in active discussion with the Township Committee regarding proposals to construct amenities and improvements for the Lincroft Village Park. This letter will confirm that any funds donated by the Lincroft Village Green Association to the Township of Middletown will be specifically dedicated and directed towards the amenities and beautification of the Lincroft Village Park, and enhancements to that Park.

The Township Parks Department, together with its professional staff, has been actively working with the Lincroft Village Green Association in developing plans for the Park improvements and enhancements. Funds contributed by the Association to the Township will be applied and dedicated towards upgrades and enhancements of the Park improvement project. The Township certainly endorses and welcomes any voluntary contribution by the Association and/or its members towards this Lincroft Village Park improvement project.

Sincerely,

Joan A. Smith
Mayor
