Re: Proposed Sale and Development
Brookdale College Property, Lincroft

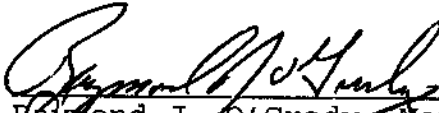

Dear Resident:

This letter will acknowledge and thank you for your recent petition concerning the above subject.

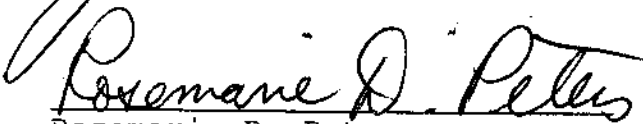

I am writing you on behalf of the Township Committee to advise you that, following a June 21st resolution adopted by the Township Committee opposing this sale, representatives of the Township met with trustees of Brookdale College and with county and state representatives to review this matter.

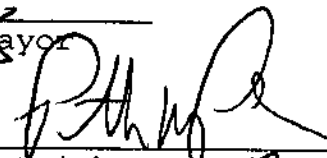

At that July 1st session, Brookdale Community College Officials decided not to sell the parcel of land in question. We are fortunate in having had the support of the Director of the Board of Freeholders, Harry Larrison, and his Deputy Director Thomas Powers and our legislative delegation in our opposition to this sale.

We hope you will continue to express an interest in this matter, as developments occur.

Raymond J. O'Grady, Mayor

Joan A. Smith, Deputy Mayor

Rosemarie D. Peters
Township Committee Member

Patrick W. Parkinson
Township Committee Member
