Dear Mr. Ettore:

Please be advised that this letter is to confirm the Middletown Township Committee's support for the County to proceed with design and construction of the proposed Roundabout on Rt. 520 at the Brookdale Community College entrance. Based upon the presentation your office and your consultants made to the Township Committee on December 20, 2004, the clear consensus was that the roundabout alternative was preferred.

We hope that the County will proceed with the project as quickly as possible. Please feel free to contact me if I can be of further assistance. Thank you.

Very truly yours,

Robert M. Czech  
Administrator
